

Elijah's Mantle Prophetic Ministry School

The Passing and Releasing of Prophetic Authority

Prophetical Training

ELIJAH'S MANTLE PROPHETIC MINISTRY SCHOOL

Vision: The School of Prophets is uniquely designed to teach individuals about how their gift operates and to understand the call of God on their lives. Prophets will be trained to understand the move of God and the various dimensions in which God can speak and minister to His people. The curriculum* consists of, but is not limited to: books, videos, journals and other printed teaching materials, boot camps, conferences, and telephone conferences to develop the students' unique personnel gifts.

**Scriptures references for all educational materials are taken from the King James Version (KJV) of the Holy Bible, unless otherwise cited.*

Purpose: The purpose of the School of Prophets is to train individuals about their own unique gifts and increase their competence so they can effectively execute their gifts while ministering to individuals and churches. Ultimately the Prophets will understand that prophecy places emphasis on: 1) people believing in Jesus Christ; 2) compelling individuals to become more intimate with God; 3) drawing people to worship and experience God in a greater and more excellent way; and 4) aligning the church with the Will of God.

Theme: "The Passing and Releasing of Prophetic Authority"

God is raising a remnant of people that is seeking his face and looking to be an instrument that can be used to usher in the agenda of heaven.
